**Reflections from Fr. Martin
The Second Sunday in Ordinary Time
January 14th, 2024**

The 2nd reading, as do all the Pauline letters, contains deep and powerful wisdom. For example, imagine how radically things would change if people truly accepted the reality he observes: "Do you not know that your body is a temple of the Holy Spirit within you[?]"

In today's reading Paul reminds us of this as a deterrent from sinning. While this is very true, and very powerful (I can't imagine we could sin if we truly recognized the reality of God was with us each moment!), I see a far deeper meaning, a meaning echoed throughout Scripture, including directly from Jesus Himself! ["...do not worry about how you are to speak or what you are to say. You will be given at that moment what you are to say. For it will not be you who speaks but the Spirit." (Mt 10:19-20)]

Please allow this simple message to sink-in more deeply. Because God is always with us, we can do far more amazing things than we could ever imagine. And the urgency to allow God to work amazing things through us has never been greater!

People need to recognize God is the only source of the fulfillment they are longing to have. They need to realize the tremendous harm of seeking that fulfillment anywhere else. They need your joy, your courage, your conviction, and your faithfulness to make this happen!

- Father Martin

**For those requiring low-gluten hosts
for weekend Mass, please approach
the main priest/celebrant at Communion time
& say "gluten free".**

JUST A LITTLE
Reminder

Although Fr. Martin could only appreciate everyone's presence for liturgies, we must all remember that we are visiting God Himself. Therefore, men should always wear at least a collared shirt as well as slacks, and women should always wear either dresses or appropriate slacks and blouses. This is not so-much because of modesty (important as that is), but because of respect. The consensus of Biblical scholars agree that the reason Saint Peter put on his outer garments in John 21:7 was to show respect, as he knew he was approaching God. Thank you for your consideration.

If you wish to set an appointment with Fr. Martin, please request so through the receptionist/operator. Please Do not dial-into Fr. Martin's voicemail as prompted by the phone system.

Neither Fr. Martin nor any other priest will ever solicit funds via phone text or email. These are scams.

We encourage families to avail themselves of the 'cry-room' if necessary. We want everyone present to always feel comfortable and welcomed.

THE TRUTH ABOUT THE SACRAMENT OF ANOINTING OF THE SICK **(KNOWN AS "LAST RITES")**

Anointing of the Sick is the sacrament that is received by those who are ill or suffering. By the sacred anointing, the whole Church commends those who are sick to Christ. The sick person receives the Holy Spirit's gifts of strength, faith, peace, and courage, and his or her suffering is united with the suffering of Christ for the building up of the Church (Catechism of the Catholic Church [CCC], nos. 1520-23).

Through the Sacrament of Anointing of the Sick, the Church carries out Jesus' mission of compassion and healing for those who are ill. Those who are sick can be signs of faith and witnesses of Christ's Resurrection to the entire community (Saint John Paul II, *Christifideles Laici* no.54).

"Is there someone sick let them call for the priest."

This quote, more appropriately, exhortation, comes from the Epistle of St. James and relates especially to sacramental care! Some are reticent to contact the parish priests because it might frighten or bring fear to one who is ill — so they delay calling the priest until (God forbid!) death is imminent. This is both erroneous and unfortunate. There have been tragic times where I was less than 5 minutes away, immediately left to administer the sacraments, but because the family waited until the "last breath" it was too late!

Since Vatican Council II, The Church in her pastoral desire to offer comfort and care to both the patient and those who stand with the sick it is no longer conceived, as "LAST RITES", RATHER IT IS THE "SACRAMENT OF ANOINTING", to give new life, and its' prayers speak of healing and restoration of life. It should not be deferred but administered at the beginning of one's illness, so this person can be assured in their faith and reminded of God's mercy. Don't wait to the point of rushing the arrival of a priest on time but appreciate the affirmation it extends and inspires.

If you or a family member is hospitalized at a health facility or in need of the comfort and grace of the Sacrament of the Anointing of the Sick at home, please contact the Parish as soon as you become aware of the need. PLEASE don't wait until the "last minute," as not only that wasn't the purpose of this sacrament, you risk your loved ones not receiving the sacrament in-time for their passing from this life.
