

Holy Redeemer
Catholic Church:
Past Present &
Future

Progress at Holy Redeemer these Last 2 years

- (1) Enhanced liturgy in numerous ways-include music/ preaching**
- (2) Around 100K views each week on Social media**
- (3) Made many aesthetic improvements to church/chapel/grounds**
- (4) Installed state-of-the-art security system**
- (5) Weekly email mass communications & revamped bulletin**
- (6) New organizations including Men's Society/Marriage ministry**
- (7) Restructured staff /cost-cutting efficiency for ideal stewardship**
- (8) "Legitimately" made our DSA obligations in 2022 & 2023**
- (9) Replaced roof, painting, and various unaddressed and severely overdue maintenance ... paid for by liquidating a bequeathed condo & priest house instead of making parishioner appeal.**

Challenge: Since 1983 the area population has exploded, but far fewer engage with Church than ever.

Solution: Make Holy Redeemer a more appealing place so Palm City residents engage with their faith & relationship with God like never before!

Challenge: This momentum of these last 2 years have revealed the need to update for the sake of future growth within the parish to make more welcoming to all visitors

Solution: Holy Redeemer's first Capital Campaign in nearly 15 years: “**Renewing Externally, Renewing Internally**”

“Deacon Frank Gluhosky made me realize the purpose of the campaign ‘Renewing Externally, Renewing Internally.’ is to bring sorely-needed modernization and improvements to our Parish’s facilities for better worship and fellowship for all of our parishioners and their families.”

--Fr. Martin Dunne

Challenge: Church 30+ year-old sound system (there are system-wide malfunctions at least monthly and some parts no longer function at all, causing distractions during liturgies & inability of older parishioners to hear most words

Solution: State-of-the-Art Sound system so congregation can clearly hear each word spoken, and spiritually engage with liturgical music

Because our sound system is in such terrible shape, and because of Fr. Martin's faith in obtaining the needed funds.....

A Sound company has been contracted and will install the state of the art system by Christmas Eve!

Challenge: Those praying before & after liturgies are distracted by noises, doors slamming, 7 conversations of people entering & exiting church building

Solution: Install elegant tempered glass floor-to-ceiling (ADA compliant) doors between vestibule and nave so people can enjoy conversation & welcome at entrance, and silent prayers in the pews.

glass doors
with metal
handles

Challenge: Entry doors constantly open & slam during liturgies and wear-out our A/C systems by blowing open most of the time

Solution: Replace 30+ year entry doors with hurricane-impact-resistant, and insulated, doors

Challenge: Difficulty in reading missals, lack of audio-visual opportunities...

Solution: Video displays on sanctuary walls so congregation can read/sing along in liturgy ... and engage at other events

Challenge: Condition of flooring in Church, hall, and classrooms very hazardous to traverse and full of germs

Solution: Replace all floorings to long-lasting, safe, and aesthetically-pleasing materials

Challenge: All bathrooms run-down, dated, and fall-short of ADA requirements

Solution: Complete re-build of restrooms to accommodate all visitors.

Challenge: Entire interior of Parish Hall is dirty, disorganized, disconcerting, unpleasant, and dated.

Solution: Replace entire interior of the hall (except wooden ceilings) for contemporary, universal, and welcoming appearance

Challenge: The topography of our land required buildings on east end of property with long, walk from parking lot on other end (hazardous for rain, lightning, heatwaves)

Solution: New drop-off structure adjacent to church-hall building which will allow anyone to be dropped-off or picked-up safely from any danger of the elements.

Challenge: All improvements are estimated to cost at least \$1,100,000.00 (likely to increase due to ongoing inflation).

Solution: Capital Campaign **Renewing
Externally, Renewing
Internally**

Donor Recognition

Memorial plaques (size of plaques based on donation “category”) will be permanently affixed to our church wall adjacent our 1993 “memorial tree”:

PATRON:	\$1,000-\$4,999
BRONZE:	\$5,000-\$19,999
SILVER:	\$20,000-\$49,999
GOLD:	\$50,000-\$99,999
PLATINUM:	\$100,000 and up

Donor Recognition

You may also sponsor individual items (which will also go towards total for memorial wall).

Names will be affixed to:

- (1) sound system,**
- (2) glass doors,**
- (3) Drop-off building**

Donor Recognition

Names of all donors will be listed in our weekly bulletins from the time of donation until improvements are dedicated by bishop (will not include amount of donation

—no contribution too small for this recognition!). ALL DONATIONS TAX-DEDUCTIBLE

Ways to Donate - All donations tax-deductible!

- **Checks can be made to Holy Redeemer Catholic Church (Pay Memo: “Capital Campaign”).**
- **Scan our QR for online donation**

Ways to Donate - All donations tax-deductible!

- You may prefer to donate directly from your IRA as a “Qualified Charitable Distribution” in lieu of your annual “**Required Minimum Distribution,**” thus preventing federal personal income taxation on this amount.
- **Other forms of assets, such as stocks, may be donated.**

QUESTIONS?

“We make a living by what we get, but we make a life
by what we give.”

– Winston Churchill.
